SHANGHAI

A wide-angle photograph of a modern fashion store interior. The space is bright and minimalist, featuring a light-colored floor and ceiling with recessed lighting. In the foreground, there is a circular seating area with a dark blue rug, two beige armchairs, and a matching ottoman. The middle ground is filled with clothing racks displaying various garments, including jackets and shirts. A wooden display table holds folded clothes and accessories. In the background, mannequins are dressed in contemporary outfits, and a person is seen walking through the store. The overall atmosphere is clean and sophisticated.
