# Intro

Vogliamo darvi sempre più strumenti per scegliere al meglio il design del vostro spazio.

Tra queste pagine troverete la risposta alla domanda: “Quale grafica scelgo?”. Il catalogo Bestseller raccoglie una selezione esclusiva delle grafiche più apprezzate all’interno del portfolio di Inkiostro Bianco.

Questa raccolta è stata pensata per dare un’ispirazione completa ai nostri rivenditori e ai nostri clienti, dalle proposte più iconiche alle ultime novità, in modo da facilitare la scelta delle soluzioni decorative più adatte.

Sia che si tratti di un progetto residenziale, hospitality o commerciale, siamo in grado di creare il look perfetto per trasformare gli spazi in esperienze visive uniche.

All’interno di ogni pagina troverete una grafica specifica, le varianti colore dei minimali e le informazioni di prodotto in breve. Inoltre la grafica viene proposta in un’ambientazione selezionata così da avere una migliore percezione della sua resa in un contesto reale.

Naturalmente è solo una suggestione tra le innumerevoli possibilità creative. Lasciatevi ispirare dalle nostre proposte e scopri come trasformare ogni spazio valorizzandolo con eleganza e carattere.

*Le immagini e i minimali rappresentati in questo volume non hanno valore di prova colore dei nostri prodotti. Per visionare le cromie corrette delle grafiche contattaci e richiedi un campione di stampa sul supporto materico desiderato.*

*We want to provide you with the right tools to help you choose the best design for your space. Within these pages, you will find the answer to the question: “Which wallpaper should I choose?”.*

*The Bestseller catalog brings together an exclusive selection of the most popular graphic design within Inkiostro Bianco’s portfolio. This collection is designed to provide comprehensive inspiration to our retailers and clients, from the most iconic offerings to the latest news, in order to make the choice of the right decorative solutions easier.*

*Whether it’s a residential, hospitality or commercial project, we can create the perfect look to transform your spaces into unique visual experiences.*

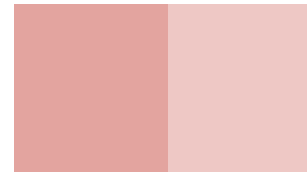

*Within each page you will find specific graphic designs, color variations, and product information. In addition, the graphic is presented in a selected setting so that you have a better sense of its rendering in a real-world context.*

*Of course, this is just a suggestion among countless creative possibilities.*

*Be inspired by our proposals and discover how to transform any space by enhancing it in an elegant way.*

*The images and graphic designs depicted in this volume are not intended as color proofs of our products. To view the correct hues of the designs, contact us and request a sample printed on the chosen material.*

## TELA®

### MATERIALE Material

Tela® FRONT-LITE tessuto in poliestere 220gr/m<sup>2</sup>  
Polyester fabric 220gr/m<sup>2</sup>

Tela® BACK-LITE tessuto consigliato per retroilluminazione  
Polyester fabric recommended for backlighting

### DIMENSIONI Dimensions

Dimensione massima tessuto back-lite/front-lite: 297 cm  
Maximum back-lite/front-lite fabric dim.: 297 cm

### APPLICAZIONE Application

I tessuti tesi sono facilmente posabili e intercambiabili e l'installazione non richiede interventi strutturali. Il sistema di ancoraggio di Tela® avviene tramite l'applicazione di profili perimetrali in alluminio calibrati sulle dimensioni della parete.

Tra la superficie e il rivestimento murale possono essere inseriti elementi coibentanti o insonorizzanti per aumentare il comfort e la sicurezza oppure una retroilluminazione per un effetto scenografico di grande impatto.

Easy to install and interchangeable, the installation does not require structural work.  
Tela® anchoring system is based on the application of perimeter aluminium profiles calibrated to the dimensions of the wall.

Insulating or soundproofing elements can be inserted between the surface and the wall covering as well as backlighting for a striking scenic effect.
